# HEART CRY FOR GOD'S PEOPLE

# HEART CRY FOR GOD'S LAND

**November 2017** marks the centenary of the **Balfour Declaration** when the UK Government established the **biblical right for Israel** to have her own **national homeland**.

We invite **you** and **anyone** who has a **love for the people** and **land of Israel** to celebrate this miraculous decision by joining us for this night of praise and celebration.

**AN OFFERING WILL BE TAKEN ON THE NIGHT TO  
SUPPORT THE WORK OF WILBUR MINISTRIES**

Paul Wilbur is an internationally acclaimed worship artist, speaker, author, advocate for Israel, pastor and teacher. As a Messianic Jew his vision is to see unity among God's people, between Jew and Gentile in the 'One New Man.'

Paul's ministry of anointed worship leads people into the manifest presence of God where many find salvation and miraculous healings.
